HEALTH, HEALING & RELIGION

C O N F E R E N C E

May 6-8, 2011

Bracebridge
Campus

The Health, Healing and Religion Conference asks leading experts in the fields of alternative medicine, allopathic medicine and psychology to answer the question "What is Healing?" From the vantage point of a variety of paradigms participants will discuss their visions and ideas for a transformed health care system. The meeting will include talks, roundtables, yoga and stress management practices.
