C O N F E R E N C E

Nov. 29-30, 2014

Vidya Institute  
Toronto, Ontario

## THE SUBTLE BODY: ESOTERIC VISIONS OF HEALTH AND HEALING

In this fourth annual conference we will journey into an esoteric and occult understanding of the human body. Join us as we look at what it means to shift the paradigm from "body as machine" to "body as energy." As always the conference will include lectures, workshops and yoga and meditation practices.
